

NEW SIBCR EMPLOYEES

You must obtain a WOC (without compensation) appointment at the VAPSHCS. Fill out the following “research staff” form, which provides information to the Research and Development Service on all research WOCs. Then sign and date the bottom of the WOC letter (which is on Department of Veterans Affairs letterhead).

CLINICAL PRIVILEGES

If you are going to be involved in any patient care related activity, you must apply for and obtain clinical privileges through the clinical department within which you will be working. See the administrative office of that department for forms and procedures.

NURSES

This is not the right employment packet.
